COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST FOR PROPOSAL AND SELECTION)	ADMINISTRATIVE
OF A VENDOR FOR TELECOMMUNICATIONS)	CASE NO. 372
RELAY SERVICE)	

ORDER

The Commission has determined that, due to a decrease in the cost of Telecommunications Relay Service ("TRS"), the monthly surcharge for each local exchange carrier¹ ("LEC") customer access line should be decreased by two cents to seven cents per month.

Two changes arise from Legislation passed by the 2006 General Assembly with regard to the Telecommunications Devices for the Deaf ("TDD") Distribution Program. Senate Bill 88 changes the name of the program to Telecommunications Access Program ("TAP"). Also, House Bill 380, the budget bill, included the following language for the Telecommunications Access Program: "Notwithstanding KRS 278.5499, the funding mechanism for the telecommunication device for the deaf distribution program shall allocate not more than two cents per access line per month." The current surcharge is capped at one cent per access line.

¹ Local exchange carriers include all incumbent and competitive local exchange carriers.

The Executive Director of the Kentucky Commission on the Deaf and Hard of Hearing ("KCDHH") has requested the Commission increase the surcharge to two cents per access line as now allowed by the budget bill.

Consistent with the legislation, the name of the program will be changed on the form. At the request of the KCDHH Executive Director, the surcharge for TAP will increase to two cents per access line. The increase of the TAP surcharge will only be effective for the period of July 1, 2006 through June 30, 2008. After this date it will revert to the one cent cap contained in the statute.

As in the past, these items may be shown as a combined charge on a single line of the customer's bill as "TRS/TAP Surcharge." The combined charges shall be nine cents, a decrease of one cent from the current combined charges. All LECs shall submit to the Commission updated tariffs to reflect this change no later than June 15, 2006, to be effective July 1, 2006

Carriers shall continue to submit reports to the administrator and the Commission on a monthly or quarterly basis as directed in the instructions. Attached is the revised form to reflect the new surcharge amount and the instructions.

IT IS THEREFORE ORDERED that:

1. The surcharge for TRS shall be decreased by two cents per month beginning with all bills for service rendered after July 1, 2006.
2. The Telecommunications Devices for the Deaf program shall now be renamed "Telecommunications Access Program."
3. The surcharge for TAP shall be increased by one cent per month beginning with all bills for service rendered after July 1, 2006 continuing until June 30, 2008.

4. All LECs shall submit to the Commission tariffs to reflect this change by June 15, 2006.

Done at Frankfort, Kentucky, this 31st day of May, 2006.

By the Commission

Instructions for Completing Kentucky Telecommunication Relay Service and Telecommunication Access Program Fund Report

The surcharge rate for the Kentucky Telecommunications Relay Service ("TRS") Fund is seven cents (\$0.07) per access line, collected on a monthly basis. The surcharge rate for the Kentucky Telecommunications Access Program ("TAP") is two cents (\$0.02) per access line, collected on a monthly basis. The combined surcharge is nine cents (\$0.09) per access line, collected on a monthly basis. Following are instructions for completing the form and definitions of the terms on the form.

All Incumbent Local Exchange Carriers ("ILECs"), and Competitive Local Exchange Carriers ("CLECs"), are required to collect the surcharge from their customers on a monthly basis. The surcharge should be collected for all local exchange access lines. Local exchange access lines are defined for this purpose as facilities which provide access to and from the telecommunications network for toll service and for local calling with the exception of Coin, WATS, remote call forwarding, radio common carriers, interlata foreign exchange lines, private line services, mobile, other common carriers, and company official accounts. Each carrier should collect the surcharge from the customers it serves on a retail basis; wholesale accounts should not be charged the surcharge. The combined surcharge should appear on each customer's bill as "Kentucky TRS/TAP Surcharge" or a similar facsimile.

Carriers may contribute to the fund on a monthly or quarterly basis depending on the number of subscribers served. Carriers with less than 1,000 access lines may contribute on a quarterly basis. Carriers with greater than 1,000 access lines should continue to contribute on a monthly basis. Carriers contributing on a quarterly basis will still be required to submit separate reports for each month but remit them to the fund on a quarterly basis. Reports are due within 15 days following the reporting month.
